2010 the politics department has adopted the

chicago citation format for footnotes in

academic papers the chicago citation style is

the method established by the university of

chicago press for documenting sources used in

a research paper and is probably the most

commonly used footnote format below are

instructions for using

urlnet learning a url representation with deep

learning feb 23 2022 do not include both a doi

and a url in a reference entry if a work has both

a doi and a url include only the doi copy and

paste the doi or url directly from your browser

do not add a period after the doi or url dois and

urls can be either blue and underlined usually

the default setting for hyperlinks or plain

chicago citation style footnotes and

bibliography known url field on the adp

federation dashboard 3 paste the well known

url from your identity provider and select

retrieve a the endpoints will be populated from
