steeler technical design catalog  
is a collection of typical designs  
for steel framing and  
connections to help guide with  
your design process the calalog  
should only be used as a guide  
as these are typical designs  
and have not  
c detail b scale 1 1 to the  
typical stepped footing detail  
on the structural drawing and  
footing elevations on the plan  
view the exact horizontal  
location of these steps however  
is not given in this case the  
detailer makes an assumption  
shows the dimensions on the  
elevations see elevation 2 2  
circles same and adds a note  
asking the engineer to verify
